| Emissions:            | lbs. per MWh |
|-----------------------|--------------|
| Nitrogen Oxides (Nox) | 0.70         |
| Sulfur Dioxide (SO2)  | 0.82         |
| Carbon Dioxide (CO2)  | 858.26       |

|                   |   |
|-------------------|---|
| Labor Information | None of the electricity associated with Dynergy came from power sources with union contracts with their employees. Thus, none of the electricity associated with Dynergy came from power sources that used replacement labor during labor disputes during the referenced time period. |
|-------------------|---|

|  |   |
|--|---|
|  | <p>Notes</p> <p>Electricity customers in New England are served by an integrated power grid, not any particular generating unit(s). The information below is based on the ISO-New England's information for the referenced time period.</p> |
|--|---|

| Definitions                           |  |
|---------------------------------------|--|
| Distribution Charges                  | Charges that are part of the basic service charges on every customer's bill for delivering electricity from the EDC to your home or business   |
| Generation Charge and Agreement       | Charge for production of electricity at usage levels typical for residential and small commercial customers. Contract terms and conditions describe the length of your contract for generation service and other ancillary services included in your contract. |
| Transmission Charge                   | Charge for moving high voltage electricity from a generation facility to the distribution lines of an electric distribution company  |
| Electric Distribution Company ("EDC") | The public utility providing facilities for the distribution of electricity (the physical delivery of electric power) to retail customers  |

#### **LABEL DESCRIPTION**

Dynergy Energy Services (East), LLC d/b/a Dynergy Energy Services ("Dynergy") agrees to sell, and you agree to buy, your full requirements for electric generation service at the prices and pursuant to the terms and conditions specified in this Disclosure statement and Terms of Service ("Agreement"). This Agreement governs your full requirements at the street address that you have specified and that Dynergy has agreed to serve. You will be bound by all the provisions of the Agreement, as they may be amended from time to time. The prices and terms of this Agreement are subject to change as provided below. Dynergy is licensed by the Massachusetts Department of Public Utilities ("DPU") to offer and supply electric generation services in the Commonwealth of Massachusetts. Dynergy's DPU license number is ####. We set the generation prices and charges that you pay. Your Electric Distribution Company ("EDC") will continue to deliver the electric generation to you. Dynergy is not representing or acting on behalf of any EDC responsible for the service territory where you reside. The DPU regulates distribution prices and services.

Emissions are provided for the following pollutants expressed in percentages comparing them to the regional average pollutants measured.

Carbon Dioxide (CO<sub>2</sub>) is released when fossil fuels such as coal, oil or natural gas are burned. Carbon dioxide is a greenhouse gas and, thus, is a major contributor to global warming.

Nitrogen Oxide (NO<sub>2</sub>) is formed when fossil fuels and biomass are burned at high temperatures. They contribute to acid rain and ground-level ozone, aka smog, and may cause respiratory illness in children with frequent exposure.

Sulfur Dioxide (SO<sub>2</sub>) is formed when sulfur-containing fuels such as coal and oil are burned. Major health effects associated with SO<sub>2</sub> include asthma, respiratory illness and aggravation of existing cardiovascular disease. SO<sub>2</sub> combines with water and oxygen in the atmosphere to form acid rain.

#### **Contact Information**

Dynergy: Please use the following information to contact us with any questions about this Agreement or Dynergy charges on your invoice, to provide all notices under this Agreement, or to resolve any disputes regarding this Agreement.

Name: Dynergy Energy Services (East), LLC  
Address: 312 Walnut Street, Suite 1500, Cincinnati, OH 45202  
Phone Number: 1-877-331-3045  
Email Address: dynergycustomerservice@dynergy.com  
Internet Address: www.dynergyenergyservices.com

Electric Distribution Company/Default Service Provider: For emergencies relating to your services, such as a power outage, or for information about universal service programs, please call your EDC at the following number:
