

Your National Grid Electric Bill

Your National Grid electric bill is made up of **delivery** and **supply** charges.

Delivery charges appear first.

Delivery charges are set by National Grid and approved by the Massachusetts Department of Public Utilities.

*Delivery charges will **not** be affected by or changed as a result of your participation in the Sutton Power Choice program.*

Sutton Power Choice will not impact these charges.

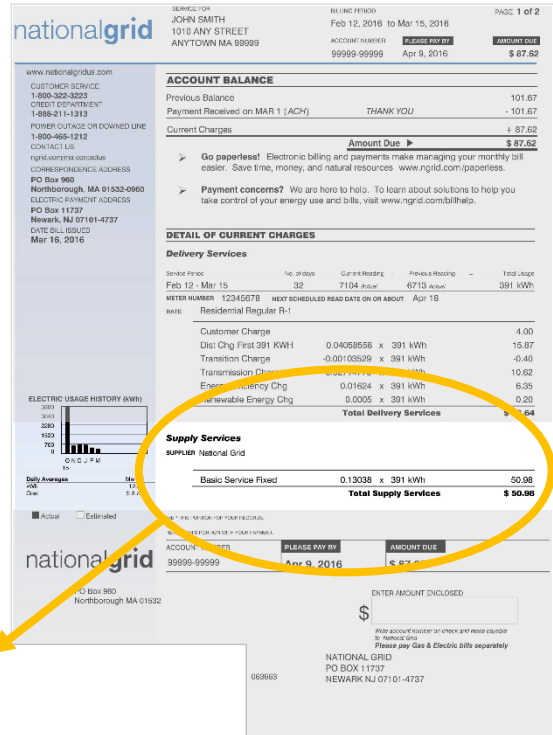

The Sutton Power Choice program will change your supply price.

Supply charges appear after delivery charges.

- In place of Basic Service Fixed, you will see Public Power, LLC., listed as your supplier.
- In place of the National Grid price, you will see the program price per kWh.
- The program price will be then be used to calculate your total supply charge.

The program price will apply to your electricity use starting with your January 2017 meter read date.

The program price will first appear on your **February 2017 bill**.
