

# Grafton Energy Choice

Grafton Energy Choice is a Town electricity supply program that gives residents and businesses more choice and control over how we power our community while taking a big step toward achieving our sustainability goals. The program is a group electricity buying program that changes the electricity supply price on your National Grid electric bill. More than 200 other cities and towns in Massachusetts have similar programs.

Using the bulk buying power of our community, Grafton Energy Choice provides:

- Three consumer-friendly electricity supply options.
- Stable and consistent pricing that will not change until November 2026.
- An easy way to get more of your electricity from renewable sources.

## Grafton Energy Choice has three options. Choose the one that's right for you.

New electricity accounts will be automatically enrolled in Energy Choice Standard. Energy Choice Green and Energy Choice Basic are available by request. Choose online or by phone.

OPTION

AUTO-ENROLL

OPTION

OPT OUT

Prices for two options in Grafton Energy Choice are lower than National Grid's current residential Basic Service price. All program prices are fixed until November 2026.

*Note that National Grid's future prices are unknown, so future savings cannot be guaranteed.*

## Most Grafton electricity customers will be eligible for automatic enrollment.

- **Have National Grid's Basic Service?**  
If you did not sign a private electricity supply contract, your account will be eligible for automatic enrollment within a few months, and you will receive a notification in the mail from the Town. Grafton uses an automatic enrollment model like similar programs in the state, but you are free to opt out before being automatically enrolled.
- **Have a private electricity supply contract?**  
Your account will not be eligible for automatic enrollment, but you can request enrollment online at [GraftonEnergyChoice.com](http://GraftonEnergyChoice.com) or by contacting customer support with the Town's program consultants at 1-844-241-8597.

**Participation is never required, and you are free to opt out at any time with no fee or penalty.**

That means you can opt out before being automatically enrolled and remain with National Grid's Basic Service price, or you can try the program and opt out at any time in the future.

# How Grafton Energy Choice Works

Grafton Energy Choice changes your electricity supplier and the price that National Grid uses to calculate the Supply Services part of your bill, which is the part of the bill where you pay for the electricity you use. But Grafton Energy Choice does not replace National Grid as Grafton's electric utility, and you will remain a National Grid customer.

## Just two changes on your electric bill:

The screenshot shows a National Grid bill for John Smith. Two callout boxes highlight key changes:

- 1. Your electricity supplier will appear as First Point Power - Grafton Energy Choice.** This is shown in the 'Supply Services' section where the supplier is listed as 'First Point Power - Grafton Energy Choice, 2000 Chapel View Blvd, Ste 450, Cranston, RI 02920'.
- 2. Your electricity supply price will change to a Grafton Energy Choice price.** This is shown in the 'Electricity Supply' line item, which now lists a price of '0.14035 x 412 kWh'.

Other bill details include: SERVICE FOR JOHN SMITH, 1010 ANY STREET, ANYTOWN, MA 00000-0000; BILLING PERIOD Oct 29, 2023 to Nov 26, 2023; ACCOUNT NUMBER 00000-00000; PLEASE PAY BY Dec 20, 2023; PHONE 1-888-875-1711; ACCOUNT NO. 00000-00000.

Enrollment Information			
To enroll with a supplier or change to another supplier, you will need the following information about your account: Loadzone: WICMA, Acct No: 00000-00000, Cycle: 1, SYLV

**Everything else remains the same!**

### National Grid continues to:

- Deliver your electricity with no interruption and address power outages.
- Send your electric bill and accept bill payments (this is the only electric bill you will receive as a participant).
- Provide a low-income discount if you currently receive that benefit. You will also continue to receive fuel assistance.

The ONLY electricity supply program approved by and from the Town of Grafton. If you don't see the Town Seal, it's not from the Town.
