

## 2023 Annual Report for Chelmsford Choice

For calendar year 2023, the Town of Chelmsford submitted the following Annual Report to the Massachusetts Department of Public Utilities (DPU) for Chelmsford Choice.

The content of the Annual Report is stipulated by the DPU and is comprised of the following attachments:

- **Attachment III.C: Public Access** - Illustrates how the Town of Chelmsford provided access to program information during the year.
- **Attachment IV.A: Organizational Structure** - Shows how program administration responsibilities are divided between the Town, the Town's aggregation consultant, and the program's electricity supplier.
- **Attachment IV.B.1.c: Equitable Treatment of Customer Classes** - Describes any variances in treatment between customer classes.
- **Attachment IV.B.2: Procurement of Supply** - Presents the timeline of any electricity supply procurement undertaken during the year.
- **Attachment IV.B.6.a: Representative Opt-Out Notification** - Provides a representative Opt-Out Notification (automatic enrollment notification) from the calendar year. The Opt-Out Notification is sent by mail to new electricity account holders in Chelmsford to notify them of their eligibility for automatic enrollment in the program.
- **Attachment IV.B.6.b: Representative Notice of Product Change** - Provides a representative notice of a product change, if such a notice was issued during the year.
- **Attachment IV.B.7.b.i: Annual Product Information** - For each program option, provides details around price components, renewable energy content, and average number of accounts enrolled. Also provides the electricity supplier name and electricity supply contract price term.
- **Attachment IV.B.7.b.ii: Annual Product Rate Component Information** - Includes the total revenue for each rate component for the year.

Attachment III.C Public Access

<b>Table III.C - Public Access to Plan/Ongoing Program Information</b>	
<b>Location</b>	<b>Description</b>
<b>Municipal website</b>	Access to the Plan and detailed program information was provided through a link to the program website. Program announcements were posted on the home page.
<b>Program website</b>	The program website ( <a href="https://ChelmsfordChoice.com">ChelmsfordChoice.com</a> ) provided access to the Plan and other program documents, detailed product information, and contact information for both the program supplier and the consultant, MassPowerChoice, which was responsible for customer support. The site also featured easily accessible options for prospective customers to enroll and for current participants to change their program options or opt out of the program if desired.
<b>Communication vehicles/ Outreach activities</b>	
<b>Social media accounts</b>	Program updates, including price-change notifications, were posted on the Chelmsford Department of Public Works Facebook account.
<b>Municipal cable access TV</b>	Program updates, including price-change notifications, were sent to Chelmsford Telemedia.
<b>Announcement to local/ regional media</b>	Program updates, including price-change notifications, were sent to the = <i>Action Unlimited</i> newspaper.
<b>Physical posting in municipal buildings</b>	Program updates, including price-change notifications, were posted on a bulletin board in the Town Hall.
<b>Mailings</b>	Throughout the year, new utility Basic Service customers were

	<p>sent Opt-Out Notices informing them of the program, their upcoming automatic enrollment, and the methods for opting out or selecting an optional product.</p> <p>In October 2023, a notice of program price change and automatic enrollment renewal was sent to customers.</p>

### Attachment IV.B.1.c Equitable Treatment of Customer Classes

Table IV.B.1.c Equitable Treatment of Customer Classes					
Plan Element					
Procurement of Supply (§ IV.B.2)	Product Rate Setting/Renewable Energy Content (§ IV.B.3)	Other Funding Sources/Costs (§ IV.B.4)	Customer Enrollment (§ IV.B.5)	Customer Notification (§ IV.B.6)	Ongoing Program Information (§ IV.B.7)
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Table IV.B.1.c identifies the Plan elements for which there may be variances in the treatment between customer classes or subclasses. Those variances in treatment are described below.

Medium/Large commercial and industrial customers enrolling in the Program after Program launch may be offered a market-based price rather than the contract price. Such differential treatment is equitable because these customers have more choices in the marketplace and impose greater costs on the Program than other customers when they join after Program launch.

Customers that previously opted out and later wish to re-enroll in the Program may be offered a market-based price. This differential treatment is equitable because these customers previously made a choice not to participate in the Program and as a result their load was no longer planned for by the electricity supplier.

<b>Negotiate/Execute Contracts</b>	May 10, 2023

## Attachment IV.B.6.a Representative Opt-Out Notification

### TOWN OF CHELMSFORD MUNICIPAL ELECTRICITY AGGREGATION PROGRAM NOTIFICATION LETTER

December 29, 2023

Dear Chelmsford Electricity Service Customer,

I am writing today with information regarding your electric bill. The Town of Chelmsford has a group electricity buying program called Chelmsford Choice. The program offers long-term, stable prices, consumer protections, and the potential for savings (though savings cannot be guaranteed), while supporting Chelmsford's sustainability efforts.

**If you received this letter and you do nothing, you will be AUTOMATICALLY enrolled in Chelmsford Choice, which is in accordance with state law.**

**Participation is not required. Your opt-out request must be made or postmarked by January 31, 2024, to avoid automatic enrollment.**

**If you choose to participate**, you will remain a National Grid customer, but Dynegy will be listed on your bill as your electricity supplier, and the Chelmsford Choice price will be used to calculate the Supply Services portion of your bill. Nothing else will change:

- Your electric bill will continue to come from National Grid, and you will continue to send payments to National Grid. You will not receive a second electric bill with participation.
- You will continue to call National Grid if your power goes out.
- If you are on a budget plan or are eligible for a low-income discount or fuel assistance, you will continue to receive those benefits.

**If you choose not to participate**, the Supply Services portion of your bill will continue to be calculated based on National Grid's Basic Service price, as it is now.

#### Benefits to You

**Price stability** - Chelmsford Choice prices are fixed until November 2025. Long-term price stability makes Chelmsford Choice different from National Grid's Basic Service, which you have now. Basic Service prices change seasonally. Price stability also makes the program different from many electricity supply offers in the marketplace.

**New choices** - You have three options in the program:

- Chelmsford Choice Basic provides the minimum amount of renewable electricity required by law. You will be automatically enrolled in Chelmsford Choice Basic.
- Chelmsford Choice Greener provides 64% of your electricity from new renewable energy projects in the New England region and is available by request.
- Chelmsford Choice Greenest provides all (100%) of your electricity from new renewable energy projects in the New England region and is available by request.

**Potential savings** - Chelmsford Choice offers the potential for savings compared with National Grid's Basic Service prices. However, because National Grid's prices change and their future prices are not known, **Chelmsford Choice cannot guarantee to provide savings over the term of the contract with Dynegy.**

Your New Electricity Supply Price

**14.843 ¢/kWh**

Compare to National Grid's prices

**1-844-483-5004**

[ChelmsfordChoice.com](http://ChelmsfordChoice.com)  
[chelmsford@masspowerchoice.com](mailto:chelmsford@masspowerchoice.com)

#### Don't Want to Participate?

Participation is not required. There is no penalty or fee to opt out of the program. You may opt out before being enrolled, or you may try the program and opt out at any time in the future.

**If you wish to opt out before being automatically enrolled, you must submit or postmark your opt-out request by January 31, 2024.** To submit your opt-out request, do any one of the following:

- Sign & return the enclosed reply card.
- Opt out online at [ChelmsfordChoice.com](http://ChelmsfordChoice.com).
- Call customer support at 1-844-483-5004.

Please see the back for more information. ►

**It's your choice...**

You will be automatically enrolled in Chelmsford Choice Basic. To change to another option or opt out, visit [ChelmsfordChoice.com](https://ChelmsfordChoice.com) or call customer support at **1-844-483-5004**. Please have your National Grid account number available.

Exit terms		Leave any time. No exit charge.		Leave any time. No exit charge.		Leave any time. No exit charge.		Leave any time. No exit charge. However, industrial customers only (rates G-2 and G-3) on the fixed-price Basic Service option may receive a billing adjustment, which may be either a credit or a charge.	

\* Chelmsford Choice program prices include a \$0.001 / kWh administrative fee. Program prices could increase as a result of a change in law that results in a direct, material increase in costs during the term of the electricity supply agreement.

\*\* The Commonwealth of Massachusetts requires that all electricity supply products include a minimum of 62% from clean or renewable energy resources in 2024 and 63% in 2025, which includes electricity from MA Class I renewable energy projects and also from other clean or renewable sources such as nuclear and trash-to-energy. Chelmsford Choice Basic meets the minimum requirement. Chelmsford Choice Greener and Chelmsford Choice Greenest exceed it by including additional electricity from MA Class I renewable energy projects.

**Frequently Asked Questions**

**I have received this letter, and also I have recently signed a contract with an electricity supplier. What should I do?** You may have signed your contract after this mailing list was created. In that case, you must opt out if you wish to retain your current contract. If you do not opt out, your account will be enrolled in the program, which may trigger early termination fees from your electricity supplier.

**I have solar panels on my property or I participate in a community solar program. If I join Chelmsford Choice, will I continue to receive the credits or payments that I receive now?** Yes. You will continue to receive solar credits and/or solar incentive payments, and participating in Chelmsford Choice will not change how they are calculated.

**I have a tax-exempt account. How can I retain my account's tax-exempt status?** Taxes will be billed as part of the program's power supply charge. Customers are responsible for identifying and requesting an exemption from the collection of any tax by providing appropriate tax-exemption documentation to Dynegy. Visit [ChelmsfordChoice.com](https://ChelmsfordChoice.com) for how to submit your documentation.

If you have any additional questions, please do not hesitate to contact customer support at [chelmsford@masspowerchoice.com](mailto:chelmsford@masspowerchoice.com) or **1-844-483-5004**. Our Town consultants will be happy to help you. Or visit the program website at [ChelmsfordChoice.com](https://ChelmsfordChoice.com).

### A NOTIFICATION FROM THE TOWN OF CHELMSFORD ABOUT A CHANGE IN YOUR ELECTRICITY SUPPLY PRICE

October 10, 2023

Dear Chelmsford Electricity Customer,

**This notice contains important information about a price change on your National Grid electric bill.**

Your electricity account is enrolled in Chelmsford Choice, the Town's electricity program. The program gives you a Chelmsford price for the Supply Services portion of your National Grid electric bill. You are enrolled in the Basic option, which means you receive the lowest price available through the program.

Chelmsford currently has a contract with Constellation to supply electricity to Chelmsford Choice participants. That contract will expire in November of this year, and a new, 24-month contract with Dynegy will go into effect.

**The new contract will bring new prices.**

The Constellation contract was signed in 2020 and has kept our prices low. However, electricity supply prices have risen significantly since then because of volatility in global energy markets. Chelmsford Choice prices will move to market levels when the Dynegy contract takes effect.

▶ **Your new Chelmsford Choice price: 14.843 ¢/kWh**

The new price is fixed for 24 months, from November 2023 - November 2025.

Your new electricity supply price will be higher than your current price, but it will be **lower** than National Grid's winter residential Basic Service price of 18.213 ¢/kWh, which will take effect on November 1.

*Please note that because National Grid's prices change and future prices are not known, future savings compared with National Grid's prices cannot be guaranteed.*

**Your choices:**

- ▶ **Take no action and remain in Chelmsford Choice.** If you wish to continue participating in Chelmsford Choice in the Basic option, no action is required. Your enrollment will renew automatically at 14.843 ¢/kWh in November 2023. You will first see the new price on your National Grid electric bill in December 2023.
- ▶ **Change to another plan in the program.** You may choose to opt up to the Greener option and receive an additional 40% of your electricity from renewable sources for 16.415 ¢/kWh, or opt up to the Greenest option and receive 100% of your electricity from renewable sources and none from fossil fuels for 17.849 ¢/kWh.
- ▶ **Leave the program with no penalty or fee.** You are free to either return to National Grid's Basic Service pricing or sign your own contract with an electricity supplier.

To make a change, visit [ChelmsfordChoice.com](https://ChelmsfordChoice.com) or contact customer support with Chelmsford's program consultants at **1-844-483-5004**. Please have your National Grid electricity account number ready when you call.

*(More information on the back. ▶)*

### Your options in Chelmsford Choice

The chart below can help you decide whether to remain enrolled in your current option, change to another option, or opt out and return to National Grid's Basic Service. To make a change, visit [ChelmsfordChoice.com](http://ChelmsfordChoice.com) or contact customer support with Chelmsford's program consultants at **1-844-483-5004**.

The Commonwealth of Massachusetts requires that all electricity supply products include a minimum of 59% from renewable or clean energy resources in 2023, 62% in 2024, and 63% in 2025. The Basic option meets this requirement. The Greener and Greenest options exceed it.

Chelmsford Choice options:		<div style="border: 1px solid blue; border-radius: 10px; padding: 2px; display: inline-block;">                     You are enrolled here ▼                 </div>		If you do not wish to participate:
	Chelmsford Choice Basic (default program offering)	Chelmsford Choice Greener (40% additional renewable energy option)	Chelmsford Choice Greenest (100% renewable energy option)**	National Grid's Basic Service (if you opt out)
<b>Price</b>	<b>14.843 ¢/kWh*</b>	<b>16.415 ¢/kWh*</b>	<b>17.849 ¢/kWh*</b>	<b>18.213 ¢/kWh - Residential</b> <b>17.262 ¢/kWh - Commercial</b> <b>21.015 ¢/kWh - Industrial</b>
<b>Price period</b>	November 2023 - November 2025	November 2023 - November 2025	November 2023 - November 2025	November 1, 2023 - July 31, 2024, residential & commercial. November 1, 2023 - January 31, 2024, industrial.
<b>Renewable energy</b> From new regional resources (MA Class I RECs)				
Added by Chelmsford	-	40% - 2023 40% - 2024 40% - 2025	78% - 2023 76% - 2024 73% - 2025	-
Required by state law	22% - 2023 24% - 2024 27% - 2025	22% - 2023 24% - 2024 27% - 2025	22% - 2023 24% - 2024 27% - 2025	22% - 2023 24% - 2024 27% - 2025
<b>Total</b>	<b>22% - 2023</b> <b>24% - 2024</b> <b>27% - 2025</b>	<b>62% - 2023</b> <b>64% - 2024</b> <b>67% - 2025</b>	<b>100% - 2023</b> <b>100% - 2024</b> <b>100% - 2025</b>	<b>22% - 2023</b> <b>24% - 2024</b> <b>27% - 2025</b>
From other clean or renewable sources required by state law	37% - 2023 38% - 2024 36% - 2025	37% - 2023 38% - 2024 36% - 2025	37% - 2023 38% - 2024 36% - 2025	37% - 2023 38% - 2024 36% - 2025
<b>Exit terms</b>	Leave any time. No exit charge.	Leave any time. No exit charge.	Leave any time. No exit charge.	Leave any time. No exit charge. However, industrial customers only (rates G-2 and G-3) on the fixed-price Basic Service option may receive a billing adjustment, which may be either a credit or a charge.

\* Prices include a \$0.001/kWh administrative fee. Program prices could increase as a result of a change in law that results in a direct, material increase in costs during the term of the electricity supply agreement.

\*\* The Greenest option is a 100% MA Class I REC offering, which means it includes the minimum amount of MA Class I RECs required by law each year plus the additional amount needed to reach 100%. Chelmsford's electricity supplier must also purchase other renewable energy from other clean or renewable sources required by state law to meet state requirements. As a result, the total of the renewable content for the Greenest option exceeds 100%. (For example, for 2023, 78% MA Class I RECs + 22% MA Class I RECs + 37% other clean or renewable sources required by law.)

**Tax-exempt account holders take note:** You must provide appropriate tax-exemption documentation to Dynegy in order to maintain tax-exempt status. Visit [ChelmsfordChoice.com](http://ChelmsfordChoice.com) for information on where to submit your documentation.

For customer support, please call: 1-844-483-5004

## A NOTIFICATION FROM THE TOWN OF CHELMSFORD ABOUT A CHANGE IN YOUR ELECTRICITY SUPPLY PRICE

October 10, 2023

Dear Chelmsford Electricity Customer,

**This notice contains important information about a price change on your National Grid electric bill.**

Your electricity account is enrolled in Chelmsford Choice, the Town's electricity program. The program gives you a Chelmsford price for the Supply Services portion of your National Grid electric bill. You are enrolled in the Greener option, which means an additional 40% of your electricity comes from renewable sources, in addition to the minimum amount required by state law.

Chelmsford currently has a contract with Constellation to supply electricity to Chelmsford Choice participants. That contract will expire in November of this year, and a new, 24-month contract with Dynegy will go into effect.

**The new contract will bring new prices.**

The Constellation contract was signed in 2020 and has kept our prices low. However, electricity supply prices have risen significantly since then because of volatility in global energy markets. Chelmsford Choice prices will move to market levels when the Dynegy contract takes effect.

▶ **Your new Chelmsford Choice price: 16.415 ¢/kWh**

The new price is fixed for 24 months, from November 2023 - November 2025.

Your new electricity supply price will be higher than your current price, but it will be **lower** than National Grid's winter residential Basic Service price of 18.213 ¢/kWh, which will take effect on November 1.

*Please note that because National Grid's prices change and future prices are not known, future savings compared with National Grid's prices cannot be guaranteed.*

**Your choices:**

- ▶ **Take no action and remain in Chelmsford Choice.** If you wish to continue participating in Chelmsford Choice in the Greener option, no action is required. Your enrollment will renew automatically at 16.415 ¢/kWh in November 2023. You will first see the new price on your National Grid electric bill in December 2023.
- ▶ **Change to another plan in the program.** You may choose to opt up to the Greenest option to receive 100% of your electricity from renewable sources and none from fossil fuels for 17.849 ¢/kWh, or opt down to the Basic option to receive just the minimum renewable energy required by state law for 14.843 ¢/kWh.
- ▶ **Leave the program with no penalty or fee.** You are free to either return to National Grid's Basic Service pricing or sign your own contract with an electricity supplier.

To make a change, visit [ChelmsfordChoice.com](https://ChelmsfordChoice.com) or contact customer support with Chelmsford's program consultants at **1-844-483-5004**. Please have your National Grid electricity account number ready when you call.

## A NOTIFICATION FROM THE TOWN OF CHELMSFORD ABOUT A CHANGE IN YOUR ELECTRICITY SUPPLY PRICE

October 10, 2023

Dear Chelmsford Electricity Customer,

**This notice contains important information about a price change on your National Grid electric bill.**

Your electricity account is enrolled in Chelmsford Choice, the Town's electricity program. The program gives you a Chelmsford price for the Supply Services portion of your National Grid electric bill. You are enrolled in the Greenest option, which means 100% of your electricity comes from renewable sources and none from fossil fuels.

Chelmsford currently has a contract with Constellation to supply electricity to Chelmsford Choice participants. That contract will expire in November of this year, and a new, 24-month contract with Dynegy will go into effect.

**The new contract will bring new prices.**

The Constellation contract was signed in 2020 and has kept our prices low. However, electricity supply prices have risen significantly since then because of volatility in global energy markets. Chelmsford Choice prices will move to market levels when the Dynegy contract takes effect.

▶ **Your new Chelmsford Choice price: 17.849 ¢/kWh**

The new price is fixed for 24 months, from November 2023 - November 2025.

Your new electricity supply price will be higher than your current price, but it will be **lower** than National Grid's winter residential Basic Service price of 18.213 ¢/kWh, which will take effect on November 1.

*Please note that because National Grid's prices change and future prices are not known, future savings compared with National Grid's prices cannot be guaranteed.*

**Your choices:**

- ▶ **Take no action and remain in Chelmsford Choice.** If you wish to continue participating in Chelmsford Choice in the Greenest option, no action is required. Your enrollment will renew automatically at 17.849 ¢/kWh in November 2023. You will first see the new price on your National Grid electric bill in December 2023.
- ▶ **Change to another plan in the program.** You may choose to change to the Greener option and receive an additional 40% of your electricity from renewable sources above the state minimum instead of 100% for 16.415 ¢/kWh, or opt down to Basic to receive just the minimum renewable energy required by state law for 14.843 ¢/kWh.
- ▶ **Leave the program with no penalty or fee.** You are free to either return to National Grid's Basic Service pricing or sign your own contract with an electricity supplier.

To make a change, visit [ChelmsfordChoice.com](https://ChelmsfordChoice.com) or contact customer support with Chelmsford's program consultants at **1-844-483-5004**. Please have your National Grid electricity account number ready when you call.

*(More information on the back. ▶)*

### Your options in Chelmsford Choice

The chart below can help you decide whether to remain enrolled in your current option, change to another option, or opt out and return to National Grid's Basic Service. To make a change, visit [ChelmsfordChoice.com](http://ChelmsfordChoice.com) or contact customer support with Chelmsford's program consultants at **1-844-483-5004**.

The Commonwealth of Massachusetts requires that all electricity supply products include a minimum of 59% from renewable or clean energy resources in 2023, 62% in 2024, and 63% in 2025. The Basic option meets this requirement. The Greener and Greenest options exceed it.

Chelmsford Choice options:			You are enrolled here ▼	If you do not wish to participate:
	Chelmsford Choice Basic (default program offering)	Chelmsford Choice Greener (40% additional renewable energy option)	Chelmsford Choice Greenest (100% renewable energy option)**	National Grid's Basic Service (if you opt out)

<b>Exit terms</b>	Leave any time. No exit charge.	Leave any time. No exit charge.	Leave any time. No exit charge.	Leave any time. No exit charge. However, industrial customers only (rates G-2 and G-3) on the fixed-price Basic Service option may receive a billing adjustment, which may be either a credit or a charge.

\* Prices include a \$0.001/kWh administrative fee. Program prices could increase as a result of a change in law that results in a direct, material increase in costs during the term of the electricity supply agreement.

\*\* The Greenest option is a 100% MA Class I REC offering, which means it includes the minimum amount of MA Class I RECs required by law each year plus the additional amount needed to reach 100%. Chelmsford's electricity supplier must also purchase other renewable energy from other clean or renewable sources required by state law to meet state requirements. As a result, the total of the renewable content for the Greenest option exceeds 100%. (For example, for 2023, 78% MA Class I RECs + 22% MA Class I RECs + 37% other clean or renewable sources required by law.)

**Tax-exempt account holders take note:** You must provide appropriate tax-exemption documentation to Dynegy in order to maintain tax-exempt status. Visit [ChelmsfordChoice.com](http://ChelmsfordChoice.com) for information on where to submit your documentation.

<b>Table IV.B.7.b.ii – Annual Product Rate Component Information</b>	
<b>Rate Component</b>	<b>Revenue (in \$)</b>
<b>Supply and Renewable Content</b>	11,790,573
<b>Consultant Services</b>	113,568

### Descriptions:

#### **Supply and Renewable Content**

The Supply and Renewable Content rate component covers the cost of the products and services necessary to provide firm power supply to program participants, including:

- electrical energy;
- capacity;
- reserves;
- ancillary services;
- transmission services;
- the cost of distribution system losses; and
- congestion management.

This rate component also covers the cost of Renewable Energy Certificates (RECs), including:

- the RECs needed to meet the requirements of state law; and
- the additional RECs specified by the town.

#### **Consultant Services**

The Consultant Services rate component covers the costs of administering the program, including:

- representing the Town before the Department of Public Utilities, including securing regulatory approvals and maintaining regulatory compliance;
- conducting procurements for electricity supply as needed;
- providing customer support by telephone and email;
- providing public education, including through in-person events, printed communications (signs, banners, brochures), electronic communications (video, slides), and social media;
- developing and maintaining a comprehensive, branded program website, including ongoing updates to ensure regulatory compliance;

- receiving customer requests to enroll, change program options, or opt-out; forwarding those requests to the electricity supplier; and monitoring implementation;
- overseeing periodic automatic-enrollment mailings to new customers;
- monitoring electricity supplier performance;
- monitoring electricity market and regulatory developments; and
- preparing reports to the Department of Public Utilities and the town.
